

Executive Order 2021-EO-02

Dated April 9, 2021

## Currently enrolled students expected to graduate in the spring of 2021 only:

### Graduation Requirements

- Must complete all required credits
- Maintain a 2.0 GPA
- Demonstrated a comparable level of achievement to state assessments (on a case-by-case basis determined by the district) for the FSA ELA and Algebra 1 EOC

### Bright Futures

- Service hours have been suspended for the current 2021 seniors
- Deadline has been extended to December 1, 2021 in order to receive qualifying ACT and SAT scores

## Promotion and retention decisions:

### EOC (End-of-Course Exams)

- Algebra 1 students currently enrolled will still need to pass the course as well as the EOC. EOC must be attempted before a concordant score may be used.
- For this year only, students currently enrolled in Biology, US History, Geometry, and Civics, the EOC exams will not be tied to the students' final grade.  
\*\*If students are wishing to receive a Scholar Designation on their diploma, they will need to take the EOC and score a proficient score of Level 3 or higher.

### Promotion

- Schools and districts will be allowed discretion to determine promotion and course grade decisions.

## School Grades:

- Any school testing 90% or more of their students can opt in to receive a school grade
- Districts may also choose to opt in to receive school grades or school improvement ratings
- 2020-2021 learning gains and middle school acceleration will be calculated using the 2018-2019 and 2020-2021 data
