

Berryhill Elementary School-Wide Title I Program

We are pleased to inform you that Berryhill Elementary is a school wide Title I school. The purpose of this program is to ensure that all children have a fair, equal, and significant opportunity to obtain a high-quality education. The Title I program is designed to help your student meet the challenging Florida Standards as measured on the Florida Standards Assessment (FSA). Because we are a school wide program, every student in our school benefits from supplementary activities that include the following:

1. Our school completes a comprehensive needs assessment of the entire school to help us make decisions about the academic program.
2. Our school purchases special equipment, curriculum materials, and services that help children with academics. We address the needs of all children in the school, but particularly the needs of low-achieving children and those at risk of not meeting the State standards.
3. Our highly qualified teachers participate in special staff development activities that are designed to meet the needs of all students.
4. We coordinate and integrate other Federal, State, and local services and programs to meet the needs of our students and their families. We want you to know that **your role in our school is incredibly important.**

We encourage your involvement at Berryhill. You are invited to join the Berryhill Bear Involvement Team (Berryhill B.I.T.), volunteer in the classroom, represent the school on the District Parent Advisory Council for Title I, volunteer for special events, and participate in parent-teacher conferences.

As always, please contact the school should you ever have any questions!
